****New Me MOT (non-accredited)**

Provided by HMPPS Interventions Services

New Me MOT is delivered in custody and the community by offender managers to the graduates of our more recently designed programmes (Horizon, I Horizon, Kaizen, BNM+, NMS and LNM). In the community it is only currently available to the graduates of sexual offending programmes (Horizon, I Horizon and New Me Strengths). Evaluation of New Me MOT will take place as part of wider evaluation strategy for these programmes.
